

SECURE ACCOUNT QUICK START

Scan. Create. Start inspecting.

SCAN TO SIGN UP

Definian Inspection

Your first five steps

- 1 Scan or open the signup link**
Use the QR code or the permanent Definian signup URL.
- 2 Create your account**
Use your work email and complete Auth0 email verification when prompted.
- 3 Open the Definian portal**
After verification, sign in and return to the Definian home page.
- 4 Install Definian Inspection**
Use the verified iPhone, iPad, or Android store link below.
- 5 Use the same verified email**
Sign in to the Definian app with the same account you created in the portal.

Safe to print and post: the QR code contains only the permanent Definian signup URL. It contains no employee name, email, password, invitation, or permission.

Install Definian Inspection

iPhone: Open the App Store

Android: Open Google Play
